

## **Palette Continues to Grow Presence and Partner Base in North America**

*Leading purchase-to-pay specialist continues to expand market reach with appointment of new partner, NMS Imaging*

**19 August 2011** – Enterprise purchase-to-pay specialist Palette is expanding and strengthening its North American operations with the appointment a new US-based partner, NMS Imaging.

NMS will integrate PaletteArena, the complete enterprise purchase-to-payment suite into their solutions offering, enabling users to achieve significant measurable cost-savings and efficiency gains in processing supplier invoices and purchase orders.

NMS Imaging is one of the premier implementation and service companies for Document Management and Workflow systems in the US. Like Palette, it is also a partner with industry leader, ReadSoft. NMS Imaging also develops software to interact directly with customer's internal systems eliminating overhead and creating efficiencies.

"It is a great honor to become a strategic partner of Palette, whose products play an integral role in our Accounts Payable marketing," said Stephen C. Dring, President of NMS Imaging. "Our strategic alliance will enable NMS Imaging to substantially grow our base of customers and we look forward to strengthening our market position with Palette's product. "

Michael Cichy, Palette's North American General Manager, says: "By continuing to build and develop our partner base, we can work in closer collaboration to deliver tailored solutions that help end-users to realize the full benefits of purchase-to-pay automation across a range of business sectors."

NMS is an experienced solution provider to government and Industry with an extensive background in Accounts Payable solutions.

PaletteArena includes the PaletteInvoice, PaletteBuyer, PaletteContract and PaletteSupplier Portal products, giving a web-based end-to-end solution that improves invoice management from receipt to payment. It integrates easily with accounting, information and business systems to automate and streamline accounts payable activity across the organisation.
